

CATCHUP MATH
School/District/College Price List
December 1, 2016

1) School/District 12-month Licenses

We suggest that you enroll every student taking Grade 6-7 math through Pre-Calculus, as well as SPED math, math intervention (RTI), before/after school programs and exit exam prep classes.

TABLE 1 (Small group pricing)

Number of Students	Total Price		
	1 year	2 years	3 years
Up to 50	N/A	N/A	\$999
Up to 100	N/A	\$999	\$1599
Up to 200	\$999	\$1949	\$2749

Price includes unlimited phone and email support.

TABLE 2 (Per student pricing)

Number of Students	Per Student Price		
	1 year	2 years	3 years
201-999	\$4.99	\$4.75	\$4.49
1000-4999	\$4.75	\$4.49	\$4.25
5000+	\$4.49	\$4.25	\$3.99

Price includes unlimited phone and email support.

There is an additional \$250 per school fee for multi-school orders.

2) Training and Professional Development

We have a complete training library always available online, and teachers may call or write for additional help as needed. In addition we offer on-site Professional Development (PD) for \$1,500 per day plus travel expenses.

3) Colleges

Colleges may purchase using the School/District Licenses pricing above. Or, colleges may arrange for students to purchase individual course subscriptions on catchupmath.com with a credit card. Faculty should request the per-class account setup form from lincoln@catchupmath.com.
